The image is a screenshot of a web browser displaying a menu page and the DevTools Components panel. The browser's address bar shows the URL 'localhost:3000/mid_node_context_71'. The page title is 'TKUdemo'. The main heading is 'Our Menu - Node Context'. Below the heading are five filter buttons: 'All', 'Breakfast', 'Lunch', 'Dessert', and 'Shakes'. The menu items are: 1. 'Buttermilk Pancakes' with a price of '15.59', a placeholder image of pancakes, and a description 'Lorem ipsum dolor sit amet consectetur adipisicing elit. Quam dolores ut iusto quas quia dignissimos ullam. E'. 2. 'Diner Double' with a price of '3.99', a placeholder image of a burger and fries, and a description 'Lorem ipsum dolor sit amet consectetur adipisicing elit. Quam dolores ut iusto quas quia dignissimos ullam. E'. 3. 'Godzilla Milkshake' with a price of '3.99', a placeholder image of a milkshake, and a description 'Lorem ipsum dolor sit amet consectetur adipisicing elit. Quam dolores ut iusto quas quia dignissimos ullam. E'. The DevTools Components panel on the right shows a tree view with 'Routes' expanded, showing 'RenderedRoute' and 'Route.Provider'. The 'Route.Provider' component is selected, showing its props: 'pid: "207410571"', 'blogs: []', 'blogs2: []', 'data1: [{-}, {-}, {-}, {-}]', 'data2: [{-}, {-}, {-}, {-}]', and 'menu: [{-}, {-}, {-}, {-}, {-}, {-}, {-}, {-}]'. The 'menu' array contains eight objects, each with 'category' and 'descrip' properties. The 'Effect' component is also visible in the bottom right corner of the DevTools panel.
